

## Newsletter May 2020

- BBC Radio Lincolnshire helped celebrate our birthday last month by recording some of their presenters, staff and myself singing the Morecombe and Wise song “Bring me Sunshine” which they played a few times on radio that day. Many thanks to Melvyn and his team for organising such a lovely tribute to Buddies.  
We are of course all missing the sunshine that Buddies brings to our lives and hope it wont be long before we are all together again.
- Happy Birthday this month to Jan Cleveland, Gill Birkin, Sue Dalton, Sandra Butler, Gill Gladwin, Lynne Walker and Julie Kelly.
- We are sad to inform you that one of our members Derek Draper has recently passed away. Our thoughts and deep sympathy go to his widow Sallie.
- Please continue to be aware of various scams regarding the coronavirus. Information can be found on this website. [www.friendsagainstscams.org.uk](http://www.friendsagainstscams.org.uk)
- Morrisons are offering a doorstep delivery service for those who are self-isolating, vulnerable, and unable to visit a store. We have attached the information and some of our members have already used this service successfully.
