

Newsletter June 2021

- Happy Birthday this month to Sallie Draper, Carole Orley, Margaret Humphreys, Julie Morgan and June Gauke.
- Have you registered with Carers First? Carers First delivers the Lincolnshire Carers Service in partnership with Lincolnshire County Council's Customer Service Centre supporting people who look after a relative or friend. They give practical information and advice to unpaid carers, such as respite care, information on financial support, care needs assessment, managing at home and much more. **Contact Carers First on 01522 782224.**
- Please remain vigilant of scams. Any one of us can be tricked by these clever criminals and you shouldn't feel ashamed or embarrassed if you fall victim to fraud. NEVER give your bank details, even if it looks like it has come from a legitimate source, such as a text message on your phone, an email or phone call. If you have been targeted contact Action Fraud on 0300 123 2040.
- We continue to receive donations and funding for Buddies, last month we received a substantial grant from the Evan Cornish Grassroots Fund through the Lincolnshire Community Foundation. We have also received a donation from the Nettleham Medical Practice from the proceeds of their Easter Raffle. All good news for when we restart in September!
- Thank you, once again, to Pat Mellows, for continuing to support Buddies with the sale of her handmade cards, it's much appreciated.
- Thought for the month –

“Sometimes” said the boy “I feel I haven’t achieved anything.”
“You’ve been a friend “said the horse “which is a magnificent thing.”
